

## **WARNING! INFORMATION FOR FOREIGN CUSTOMERS**

We inform our customers that only legal entities with a Hungarian tax number or Hungarian individuals can shop in our online store.

Our system verifies the authenticity of tax numbers based on data registered with the Hungarian tax authority, and only recognizes Hungarian addresses.

Anyone who purchases from our online store despite the above description and recommendations thereby declares that they are purchasing as a Hungarian private individual from an unknown address, and we will issue the invoice accordingly. We do not accept complaints after purchase!

We kindly ask our foreign customers to contact us at [kiado@mszt.hu](mailto:kiado@mszt.hu) or [ertekesites@mszt.hu](mailto:ertekesites@mszt.hu) to make a purchase!
